

CONFIDENTIALITY AND NONDISCLOSURE AGREEMENT

THIS AGREEMENT is entered into between KINGDOM PUBLISHING, LLC (hereinafter referred to as “Publisher”) and Author.

WHEREAS Author has developed certain valuable written works, storylines, concepts, ideas, or design, which Author deems confidential (hereinafter referred to as the “Information”); and

WHEREAS Publisher is in the business of disseminating and publishing such works and wishes to review the Information; and

WHEREAS, Author wishes to disclose this Information to Publisher for review thereby under the terms defined below; and

NOW, THEREFORE, in consideration of the foregoing promise and the mutual covenants hereinafter set forth and other valuable consideration, the parties hereto agree as follows:

1. Disclosure. Author shall disclose to Publisher the Information. Publisher agrees that this disclosure is only for the purpose of Publisher’s evaluation to determine its interest in the commercial exploitation of the Information. All rights to the work shall remain forever with Author.
2. Limitation on Use. Publisher agrees not to disclose to any third parties, use or appropriate the Information in any way whatsoever, including but not limited to adaptation or modification.
3. Access. Publisher shall not directly or indirectly provide access to the Information to third parties unless such parties to whom such disclosure is made are approved by Author in advance and are mad subject to this Agreement.
4. Confidentiality. Publisher understands and agrees that the unauthorized disclosure of the Information by the Publisher to others would irreparably damage Author. “Information” as defined in this Agreement shall not include Information that was in Publisher’s possession or available to the general public without the fault of Publisher.

When submitting physical manuscripts, please always be sure to send photocopies rather than originals. We receive many submissions each month, therefore manuscripts received in physical format (i.e. typed, handwritten, etc.) cannot be returned.
